Tawney, Acosta & Chaparro P.C. Partner Selected to Prestigious 2024 Southwest Rising Star List

NEW MEXICO (April 16, 2024) – Tawney, Acosta & Chaparro P.C. partner and attorney Daisy Chaparro Cavazos has been selected to the prestigious 2024 Southwest Rising Stars list by Super Lawyers. This is the second consecutive year she's been recognized on this list, which is a testament to Chaparro's dedication to our New Mexico clients and outstanding professional achievements. Each year, no more than 2.5 percent of the lawyers in New Mexico and Arizona are selected to the exclusive list that recognizes the top young attorneys who demonstrate excellence early in their careers.

"This recognition is a reflection of the exceptional work our entire firm does to help our clients," said Chaparro. "Our team is committed to helping people and our success reflects that. I knew I wanted to be an attorney at a very young age and could have never imagined how gratifying it would be to help people for a living. I'm honored to be recognized and blessed to serve the region I grew up in."

Chaparro joins an exceptional group of young attorneys who represent the future of the legal profession. Selection to the Southwest Rising Stars list not only highlights her accomplishments but also reflects our firm's commitment to providing the highest quality legal services to clients in New Mexico and Arizona and fostering talent within our team.

Rising Stars are attorneys who are either 40 years old or younger or have been practicing for 10 years or less. Only a select few attorneys in each state are chosen through a rigorous selection process, which includes peer nominations, independent research, and evaluations based on professional achievements and peer recognition.

The Super Lawyers lists are published nationwide in Super Lawyers magazines and in leading city and regional magazines and newspapers across the country. Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas.

Chaparro earned her bachelor's degree from St. Mary's University in San Antonio, Texas and her Juris Doctor from Texas Tech School of Law in Lubbock, Texas. She's licensed to practice law in New Mexico and Texas.
