### **Tawney, Acosta & Chaparro P.C. Partner Selected to Prestigious 2024 Texas Rising Star List**

EL PASO, Texas (April 2, 2024) – Tawney, Acosta & Chaparro P.C. partner and attorney Daisy Chaparro Cavazos has been selected to the prestigious 2024 Texas Rising Stars list by Super Lawyers. This is the fifth year she’s been recognized on this list, which is a testament to Chaparro’s dedication to client service and outstanding professional achievements. Each year, no more than 2.5 percent of the lawyers in the state are selected to the exclusive list that recognizes the top young attorneys who demonstrate excellence early in their careers.

Chaparro was also the only El Paso attorney selected to the Top 50 Up and Coming Women in the state of Texas list and one of only two El Paso attorneys selected to the Top 100 Up and Coming list.

“This recognition is a reflection of the exceptional work our entire firm does to help our clients,” said Chaparro. “Our team is committed to helping people and our success reflects that. I knew I wanted to be an attorney at a very young age and could have never imagined how gratifying it would be to help people for a living. I’m honored to be recognized and blessed to serve the community I grew up in.”

Chaparro joins an exceptional group of young attorneys who represent the future of the legal profession. Selection to the Texas Rising Stars list not only highlights her accomplishments but also reflects our firm’s commitment to providing the highest quality legal services and fostering talent within our team.

Rising Stars are attorneys who are either 40 years old or younger or have been practicing for 10 years or less. Only a select few attorneys in each state are chosen through a rigorous selection process, which includes peer nominations, independent research, and evaluations based on professional achievements and peer recognition.

The Super Lawyers lists are published nationwide in Super Lawyers magazines and in leading city and regional magazines and newspapers across the country. Super Lawyers, part of Thomson Reuters, is a rating service of outstanding lawyers from more than 70 practice areas.

Chaparro earned her bachelor’s degree from St. Mary’s University and her Juris Doctor from Texas Tech School of Law. She’s licensed to practice law in Texas and New Mexico. Chaparro is an El Paso native who graduated from El Dorado High School.
